Re: PeeDee the Pirate
Subject: Academic Accommodations for Fall 2021

ECU is committed to access for students with disabilities. Disability Support Services (DSS) is a resource to fulfill this commitment and by partnering with you, we ensure students experience access in their coursework through reasonable accommodations as required by the ADA (American with Disabilities Act)

The accommodations listed below have been approved based on the functional limitations of the student and are a starting point for access. The student, PeeDee the Pirate, qualifies for the following academic adjustments:

Classroom Accommodations:

- Use of Livescribe pen
- Use of a calculator in math

Test/Exam Accommodations:

- Extended time for scheduled quizzes/tests/exams (x1.5 time)
- Low Distraction Environment

Your input as the instructor is important in this process, as accommodations used, should in no way compromise the essential elements in the course. If you have other ideas regarding how to create access for your course beyond what is listed, DSS encourages you to speak with PeeDee the Pirate or DSS, to explore alternative options. Your input is a valuable part of the process. The staff of the Department for Disability Support Services is available to you as a resource.

The information contained in this letter is confidential and should not be released without the consent of the student.
